

Android and IPhone Instructions

to connect to CSN_Wireless

Step 1: Select the CSN_Wireless SSID

1	·**· 🗠 📅	. ∭ 61% ■	11:05
€	CSN_Wireless		:
S Ai m	EAP method	_	כ
GI	PEAP Phase 2 authentication	Ŧ	
w	MSCHAPV2	•	
W	CA certificate (Unspecified)	-	I
W	Identity		I
L	Anonymous identity		I
l.	Enter password		I
W	CANCEL C	ONNECT	
	NICI Matana LIMD		-

Step 2:

Make sure the EAP Method and Phase 2 Authentication are set up as shown.

Log in using your complete CSN Credentials (include @xxx.edu) under Identity, enter password and click Connect.

Trust the certificate if asked.

At the splash page, accept the Agreement to complete connection.
