

Auditing Classes Form

To audit a course means the student will enroll in the course but receive no credit or grade. Some programs (such as limited entry or specialized accreditation) have restrictions that do not allow students to audit courses. This form must be submitted to the Office of the Registrar at MyCSN.updates@csn.edu by the last day to change from credit to audit found at: <https://www.csn.edu/calendar-catalog-schedule>. Your email **must be** sent from your CSN student email account and include a picture of your valid government issued photo identification to be processed. We highly encourage you to use the "encrypt" button as an added security measure.
