

NOTE TO PERSONNEL FILE

The authority to establish job-related behavior and performance standards derives from the Nevada Revised Statutes Chapter 284 and the Nevada Administrative Code, specifically the “Disciplinary Procedures, Adjustment of Grievances, and Prohibitions and Offenses” sections of the State of Nevada Rules for State Personnel Administration. These regulations provide that each appointing authority shall determine and describe in writing activities that are inconsistent, incompatible, or in conflict with the duties and responsibilities of employees.

The NSHE document Prohibitions and Penalties: A Guide for Classified Staff is intended as a guide to clarify existing rules and regulations. This guide does not cover all infractions and violations that could conceivably occur. It does, however, cover the majority of situations that are a source of concern to supervisors and NSHE. Additions, deletions, or changes to the Guide will be communicated to employees and supervisors. This guide was approved by the State Personnel Commission; as such, it has the same force and effect as other rules and regulations covering classified employees.

Once signed, this acknowledgement will be placed in the employee’s personnel file in the Human Resources Department.

Forward

Authority to establish job-related behavior and performance standards derives from the Nevada Revised Statutes Chapter 284 and the Nevada Administrative Code. These regulations provide that each appointing authority shall determine and describe in writing activities that are inconsistent, incompatible, or in conflict with the duties and responsibilities of employees.

If the employee's conduct comes under one of the causes listed in this guide or in NAC 286.650, the supervisor shall inform the employee promptly and specifically of the conduct. Additionally, if the performance of an employee falls below standard, his or her supervisor shall inform the employee promptly and specifically of the deficiencies in the performance of the employee regardless of whether a report on performance of the employee is completed or filed. Three consecutive unsatisfactory evaluations may be sufficient for termination without progressive disciplinary action.

This handbook is intended as a guide to clarify existing rules and regulations. It does not constitute coverage for all infractions and violations that could conceivably occur. It does, however cover the majority of situations that are a source of concern to supervisors and NSHE. The penalties identified for the various infractions are guidelines. Any offense may result in dismissal depending upon the circumstances. A supervisor is not bound by penalties suggested in the guidelines and may impose a more or less severe penalty depending upon the extenuating circumstances.

This handbook has been approved by the State Personnel Commission and thus has the same force and effect as other rules and regulations covering classified employees. All employees will be issued a copy of the "Prohibition and Penalties" handbook.

TYPES OF CORRECTIVE ACTION DISCIPLINARY ACTIONS

Progressive discipline normally follows this course in sequence, but may go outside this course when extreme situations prevail.

1. **WARNING** –Warnings are not placed in personnel file unless further disciplinary action occurs.
2. **WRITTEN REPRIMAND** – This action must be written on the NPD-52 following a discussion between supervisor and employee. The form must be signed by the employee and the supervisor, a copy given to the employee, and the original sent to Human Resources for the employee's file. If the employee refuses to sign the form, state this fact on the form and obtain the signature of a witness.
3. **SUSPENSION** – without pay for a period of no more than 30 calendar days. (Requires NPD-41 form) If employee refuses to sign form, state this on the form and obtain the signature of a witness.
4. **DEMOTION** – to a lower class. (Requires NPD-41 form) If employee refuses to sign form, state this fact on the form and obtain the signature of a witness.
5. **DISMISSAL** – from service. (Requires NPD-41 form) If employee refuses to sign form, state this fact on the form and obtain the signature of a witness.

NOTE: Human Resources and General Counsel must review all disciplinary actions involving a recommendation of suspension (3), demotion (4), or dismissal (5) of permanent employee prior to the action.

Whenever possible, disciplinary actions should be preceded by counseling by the supervisor to correct the situation.

If actions 3, 4, or 5 are recommended for a permanent classified employee, the pre-disciplinary hearing guidelines must be followed. Upon notification by the supervisor, Human Resources will assist with the appropriate process for actions 3, 4, and 5.

NOTE: Appropriate disciplinary action may also be taken for any causes listed in the Nevada Administrative Code, 284.650, "Causes for disciplinary action."
