If there are few elements of control, an independent contractor relationship may be appropriate.

WHEREAS, NRS 284.173 authorizes elective officers, heads of departments, boards, commissions, or institutions to engage the services of persons as independent contractors; and

WHEREAS, it is deemed that the services of contractor herein specified are both necessary and desirable and in the best interests of NSHE; and

WHEREAS, contractor represents that it is duly qualified and able to render the services hereinafter described:

NOW, THEREFORE, in consideration of the aforesaid premises, the parties hereto mutually agree as follows:

The parties agree that any dispute arising under the agreement will be resolved in the state court in Clark County, Nevada, and the parties hereby expressly consent to jurisdiction therein. This agreement shall be construed and interpreted according to the laws of the State of Nevada.
6. The contractor shall neither assign, transfer, nor delegate any rights, obligations, or duties under this agreement without the prior written consent of NSHE.
7. The books, records, documents, and accounting procedures and practices of the contractor relevant to this agreement shall be subject to inspection, examination, and audit by NSHE.
8. Any reports, studies, photographs, negatives, or other documents or drawings prepared by contractor in the performance of its obligations under this agreement shall be the exclusive property of NSHE and all such materials, if any, shall be remitted to NSHE by contractor upon completion, termination, or cancellation of this agreement. Contractor shall not use, willingly allow or cause to have such materials, if any, used for any purpose other than the performance of contractor's obligations under this agreement without the prior written consent of NSHE.
9. Contractor agrees to indemnify and save and hold the Board of Regents of the Nevada System of Higher Education, the Nevada System of Higher Education, CSN, their agents, officers, and employees harmless from any and all claims, causes of action, or liability arising from the performance of this agreement by contractor or contractor's agents, officers, or employees.
10. The parties agree that contractor is an independent contractor and that this agreement is entered into in accordance with NRS 284.173, which statute in pertinent part provides that the contractor is not an employee of NSHE and:

 - (c) Participation in group insurance plans which may be available to employees of NSHE;
 - (d) Participation or contributions by either the independent contractor or NSHE to the public employees retirement system;
 - (e) Accumulation of vacation leave or sick leave;
 - (f) Unemployment compensation coverage provided by NSHE if the requirements of NRS 612.085 for independent contractors are met.
11. NSHE employs only U.S. citizens and individuals lawfully authorized to work in the U.S.
 12. This agreement constitutes the entire agreement between the parties and may only be modified by a written amendment signed by the parties.
 13. Written notices required under this agreement shall be sent certified mail, return receipt requested.

14. CONTRACT TERMINATION.

- (a) Termination Without Cause. Any discretionary or vested right of renewal notwithstanding, this contract may be terminated upon written notice by mutual consent of both parties or unilaterally by either party without cause.
- (b) NSHE Termination for Non-appropriation. The continuation of this contract beyond the current biennium is subject to and contingent upon sufficient funds being appropriated, budgeted, and otherwise made available by the NSHE Legislature and/or federal sources. NSHE may terminate this contract, and contractor waives any and all claim(s) for damages, effective immediately upon receipt of written notice (or any date specified therein) if for any reason the contracting agency's funding from NSHE and/or federal sources is not appropriated or is withdrawn, limited, or impaired.
- (c) Cause Termination for Default or Breach. A default or breach may be declared with or without termination. This contract may be terminated by either party upon written notice of default or breach to the other party as follows:
 - i. If contractor fails to provide or satisfactorily perform any of the conditions, work, deliverables, goods, or services called for by this contract within the time requirements specified in this contract or within any granted extension of those time requirements; or
 - ii. If any NSHE, county, city, or federal license, authorization, waiver, permit, qualification, or certification required by statute, ordinance, law, or regulation to be held by contractor to provide the goods or services required by this contract is for any reason denied, revoked, debarred, excluded, terminated, suspended, lapsed, or not renewed; or
 - iii. If contractor becomes insolvent, subject to receivership, or becomes voluntarily or involuntarily subject to the jurisdiction of the bankruptcy court; or
 - iv. If NSHE materially breaches any material duty under this contract and any such breach impairs contractor's ability to perform; or
 - v. If it is found by NSHE that any quid pro quo or gratuities in the form of money, services, entertainment, gifts, or otherwise were offered or given by contractor, or any agent or representative of contractor, to any officer or employee of NSHE with a view toward securing a contract or securing favorable treatment with respect to awarding, extending, amending, or making any determination with respect to the performing of such contract.
- (d) Time to Correct. Termination upon a declared default or breach may be exercised only after service of formal written notice as specified in paragraph (2), and the subsequent failure of the defaulting party within 10 calendar days of receipt of that notice to provide evidence, satisfactory to the aggrieved party, showing that the declared default or breach has been corrected.

G. Independent Contractor Agreement - Terms and Conditions (cont.)

- (e) Winding Up Affairs Upon Termination. In the event of termination of this contract for any reason, the parties agree that the provisions of this paragraph survive termination:
- i. The parties shall account for and properly present to each other all claims for fees and expenses and pay those which are undisputed and otherwise not subject to set off under this contract. Neither party may withhold performance of winding up provisions solely based on nonpayment of fees or expenses accrued up to the time of termination;
 - ii. Contractor shall satisfactorily complete work in progress at the agreed rate (or a prop rata basis if necessary) if so requested by the contracting agency;
 - iii. Contractor shall execute any documents and take any actions necessary to effectuate an assignment of this contract if so requested by the contracting agency;
 - iv. Contractor shall promptly deliver into NSHE possession all proprietary information in accordance with paragraph (8).
15. REMEDIES. Except as otherwise provided for by law or this contract, the rights and remedies of the parties shall not be exclusive and are in addition to any other rights and remedies provided by law or equity, including, without limitation, actual damages, and to a prevailing party reasonable attorneys' fees and costs. It is specifically agreed that reasonable attorneys' fees shall include without limitation \$125 per hour for NSHE-employed attorneys. NSHE may set off consideration against any unpaid obligation of contractor to any NSHE agency.
16. LIMITED LIABILITY. NSHE will not waive and intends to assert available NRS chapter 41 liability limitations in all cases. Contract liability of both parties shall not be subject to punitive damages. Liquidated damages shall not apply unless otherwise specified in the incorporated attachments. Damages for any NSHE breach shall never exceed the amount of funds appropriated for payment under this contract, but not yet paid to contractor, for the fiscal year budget in existence at the time of the breach. Contractor's tort liability shall not be limited.
17. FORCE MAJEURE. Neither party shall be deemed to be in violation of this contract if it is prevented from performing any of its obligations hereunder due to strikes, failure of public transportation, civil or military authority, act of public enemy, accidents, fires, explosions, or acts of God, including, without limitation, earthquakes, floods, winds, or storms. In such an event the intervening cause must not be through the fault of the party asserting such an excuse, and the excused party is obligated to promptly perform in accordance with the terms of the contract after the intervening cause ceases.
18. GOVERNMENT OBLIGATIONS. Contractor shall be responsible for all applicable federal, NSHE, and local government obligations. Contractor will be responsible to pay all taxes, assessments, fees, premiums, permits, and licenses required by law. Real property and personal property taxes are the responsibility of contractor in accordance with NRS 361.157 and 361.159. Contractor warrants that it has a valid business license. Contractor agrees to be responsible for payment of any such government obligations not paid by its subcontractors during performance of this contract. NSHE may set-off against consideration due any delinquent government obligation.
19. WAIVER OF BREACH. Failure to declare a breach or the actual waiver of any particular breach of the contract or its material or nonmaterial terms by either party shall not operate as a waiver by such party of any of its rights or remedies as to any other breach.
20. SEVERABILITY. If any provision contained in this contract is held to be unenforceable by a court of law or equity, this contract shall be construed as if such provision did not exist and the non-enforceability of such provision shall not be held to render any other provision or provisions of this contract unenforceable.
21. PUBLIC RECORDS. Pursuant to NRS 239.010, information or documents received from contractor may be open to public inspection and copying. NSHE will have the duty to disclose unless a particular record is made confidential by law or a common law balancing of interests. Contractor may clearly label individual documents as a "trade secret" or "confidential" provided that contractor thereby agrees to indemnify and defend NSHE for honoring such a designation. The failure to so label any document that is released by NSHE shall constitute a complete waiver of any and all claims for damages caused by any release of the records. If a public records request for a labeled document is received by NSHE, NSHE will notify contractor of the request and delay access to the material until seven working days after notification to contractor. Within that time delay, it will be the duty of contractor to act in protection of its labeled record. Failure to so act shall constitute a complete waiver.
22. CONFIDENTIALITY. Contractor shall keep confidential all information, in whatever form, produced, prepared, observed, or received by contractor to the extent that such information is confidential by law or otherwise required by this contract.
23. FEDERAL FUNDING. In the event federal funds are used for payment of all or part of this contract:
- (a) Contractor certified, by signing this contract, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency. This certification is made pursuant to the regulations implementing Executive Order 12549, Debarment and Suspension, 28 C.F.R. pt. 67, § 67.510, as published as pt. VII of the May 26, 1988, Federal Register (pp. 19160-19211), and any relevant program-specific regulations. This provision shall be required of every subcontractor receiving any payment in whole or in part from federal funds.
 - (b) Contractor and its subcontractors shall comply with all terms, conditions, and requirements of the Americans with Disabilities Act of 1990 (P.L. 101-136), 42 U.S.C. 12101, as amended, and regulations adopted thereunder contained in 28 C.F.R. 26.101-36.999, inclusive, and any relevant program-specific regulations.
 - (c) Contractor and its subcontractors shall comply with the requirements of the Civil Rights Act of 1964, as amended, the Rehabilitation Act of 1973, P.L. 93-112, as amended, and any relevant program-specific regulations, and shall not discriminate against any employee or offeror for employment because of race, national origin, creed, color, sex, religion, age, disability, or handicap condition (including AIDS and AIDS-related conditions.)
24. WARRANTIES.
- (a) General Warranty. Contractor warrants that all deliverables and work product under this contract shall be completed in a workmanlike manner consistent with standards in the trade, profession, or industry; shall conform to or exceed the specifications set forth in the incorporated attachments; and shall be fit for ordinary use, of good quality, with no material defects.
 - (b) Millennium Compliance. Contractor warrants that any information system application(s), during or after the calendar year 2000, shall not experience abnormally ending and/or invalid and/or incorrect results from the application(s) in the operating and testing of the business of NSHE. This warranty includes, without limitation, century recognition, calculations that accommodate same century and multi-century formulas and data values and date data interface values that reflect the century. Pursuant to NRS 41.0321, NSHE is immune from liability due to any failure of millennium compliance.
25. PROPER AUTHORITY. The parties hereto represent and warrant that the person executing this contract on behalf of each party has full power and authority to enter into this contract. Contractor acknowledges that as required by statute or regulation this contract is effective only after approval by the NSHE Board of Examiners and only for the period of time specified in the contract. Any services performed by contractor before this contract is effective or after it ceases to be effective are performed at the sole risk of contractor.
26. CONFLICT IN CONTRACT TERMS. In the event of a conflict in terms between this Independent Contractor Agreement and the contractor's own form agreement, if any, the terms of the NSHE Independent Contractor Agreement take priority.

27. To the extent this Contract requires contractor, employees of contractor, or any subcontractor to perform any type of in-person work, including, but not limited to, the practice of medicine and health care, consulting, training, construction, maintenance, and vendor services, on property owned or leased in any capacity by the Board of Regents and/or CSN, or at any event sponsored by the Board of Regents or CSN, any and all employees of contractor or subcontractor who will perform such in-person work must have completed a COVID-19 vaccination series before they will be permitted on the aforementioned property. By executing this Contract, contractor represents and warrants that it is solely responsible for compliance with this provision and such compliance shall occur before any contractor or subcontractor employee covered by this provision enters Board of Regents or CSN property. Failure to comply with this section shall be deemed a material breach of this Contract, which entitles CSN to exercise its termination rights and relieves CSN of any payment obligation under the terms of this Contract. Failure to comply with this provision shall not be deemed a valid excuse or justification for contractor to fail to timely complete the work specified herein. A "completed COVID-19 vaccination series" is given the same meaning as in Title 2, Chapter 12, Section 12.4(c) of the Nevada System of Higher Education Code and is defined below. Within 72 hours of CSN's written request to Contractor, Contractor shall provide to CSN, verification, acceptable to CSN in its sole discretion, of a completed COVID-19 vaccination series for any and all employees of contractor or subcontractor performing such in-person work.

Complete COVID-19 Vaccination Series - The phrase "complete COVID-19 vaccination series" means fully completing any of the following vaccinations: 1. Two doses of the Pfizer-BioNTech vaccine recommended 21 days apart; or 2. Two doses of the Moderna vaccine recommended 28 days apart; or 3. One dose of the Johnson & Johnson Janssen vaccine; or 4. Any other vaccine series for COVID-19 that receives emergency use authorization or approval by the United States Food and Drug Administration (FDA) after the effective date of the COVID-19 Vaccine Requirement; or 5. Any COVID-19 vaccine series that was administered internationally and has received an emergency use authorization or approval by the World Health Organization (WHO).
